

Sandra Strain
CWA Local 6016

I, Sandra Strain am asking to be accepted as a nominee for a seat on the 2018 Avaya bargaining table representing Customer Care Reps and Service Coordinators. I am currently serving in my 2nd term as CWA Vice President for Avaya Inc representing the Customer Care Reps and the Service Coordinators in Oklahoma City. I also was elected to the bargaining team in 2016.

I currently sit on the National Health Care Committee and I am an elected chairperson on the National Women's Committee representing District 6. I fight for the rights and benefits of my people and ensure the contract is followed extensively.

I have walked side by side with other Unions for their rights and benefits as well. I arbitrate, I negotiate, I settle, I win. Let me continue to fight for my people.
